### Conspiracy at the Launch Quiz

1. Why are Sam, Derek, and Caitlin excited about their trip to Wallops Island?
  - a. They are competing in a space trivia contest
  - b. They are going to see a rocket launch
  - c. They are taking flying lessons from Uncle Christian
  - d. They are searching for buried treasure
  
2. Who is Aiden Hart?
  - a. A famous astronaut who walked on the moon
  - b. A scientist working at NASA's Langley Research Center
  - c. A billionaire tech mogul behind Infinity Galactic
  - d. A mysterious protest leader against space exploration
  
3. What does Sam unexpectedly receive from Aiden Hart?
  - a. A silver astronaut pin
  - b. A ticket to space
  - c. A signed book about rockets
  - d. A top-secret file about the Helios rocket
  
4. Why are people protesting the rocket launch?
  - a. They believe space travel is too expensive
  - b. They claim aliens have taken over NASA
  - c. They believe only astronauts should be allowed to watch launches
  - d. They think the rocket is unsafe and corners were cut
  
5. What does the missing engineer, Oscar Torres, have to do with the mystery?
  - a. He designed a secret engine that Infinity Galactic wants to steal
  - b. He was an astronaut who got lost in space
  - c. He disappeared after raising safety concerns about the rocket
  - d. He is leading the protest against private space travel
  
6. What is the name of the rocket being launched?
  - a. Apollo X
  - b. Helios H97
  - c. Infinity One
  - d. Titan V

7. Where do Sam, Derek, and Caitlin stay instead of a hotel?
  - a. A space-themed resort
  - b. A hidden NASA bunker
  - c. A treehouse near the launchpad
  - d. Uncle Christian's RV
  
8. What surprising fact do they learn about Virginia's role in space exploration?
  - a. Virginia was the first state to send a rocket to Mars
  - b. NASA's Langley Research Center played a big role in the Apollo missions
  - c. The first space station was built in Richmond
  - d. Neil Armstrong trained in Shenandoah National Park
  
9. What mysterious event happens near the launch site?
  - a. Strange lights appear in the sky, possibly drones
  - b. A rocket part vanishes overnight
  - c. A secret tunnel is discovered under the launchpad
  - d. A hidden message is found in the control room
  
10. Where does Piper find Sam, Derek, and Caitlin trapped?
  - a. Behind a secret panel in the rocket control room
  - b. In the rocket at the Wallops Island launch pad
  - c. The basement of Aiden Hart's mansion
  - d. Inside a space capsule exhibit at the museum

## Answer Key

1. B
2. C
3. A
4. D
5. C
6. B
7. D
8. B
9. A
10. D
